### **Climate Change and Emissions Management (CCEMC) Corporation to announce more than \$28.1 million in funding for Carbon Capture and Storage and Greening Energy Projects**

EDMONTON – Eric Newell, Chair of the Climate Change and Emissions Management Corporation, will announce funding for five new clean technology projects on June 30. Three of the projects are associated with carbon capture and storage and two are greening energy projects (cleaner energy production from fossil fuels).

**EVENT:** Media announcement and availability

**WHO:** Eric Newell, Chair, Climate Change and Emissions Management Corporation  
Representatives from organizations receiving funding

**WHAT:** Announcement of funding from the Climate Change and Emissions Management Corporation for five new projects and an opportunity to speak to funding recipients about their projects.

**DATE:** June 30, 2010

**TIME:** 9 a.m.-10 a.m.

**WHERE:** Westin Edmonton, BC/Alberta Room (10135-100 Street Northwest, Edmonton)

*NOTE TO EDITORS: This is the third funding announcement from the CCEMC this month and it is the final announcement regarding funding from an Expression of Interest that CCEMC issued last year. The first announcement was made June 16, regarding renewable energy projects. The second announcement was June 23 regarding energy efficiency projects. Both previous announcements are available on [ccec.ca](http://ccec.ca).*
